Like the other providers at PFP, Dr. Wilson has chosen to be a family physician for the joys and challenges of caring for patients during their life span. She is thrilled to be a part of a clinic that models this type of care. She enjoys developing a partnership with patients to find ways to maximize their own or their family's health.

Dr. Wilson is a family medicine physician. Her practice includes family centered Obstetric care, Women's health, including simple female procedures.

She is bi-lingual in Spanish, both written and oral.

In her time off, she enjoys spending time with her family, gardening, cooking, hiking, exploring the Pacific Northwest.
