

Thayer White, M.D.

Born: Walnut Creek, CA

Raised: North Carolina

Schools and degrees:

University of North Carolina – Chapel Hill – Undergrad and Medical School

BS in Biology and Doctor of Medicine (M.D.)

Dr. White is a family practice doctor whose areas of interest include sports medicine and obstetrics. Utilizing new state-of-the-art equipment, he will perform ultrasound guided procedures along with circumcisions, vasectomies, and specialized gynecology procedures and exams.

His main goal is keeping patients healthy and active so they can enjoy life.

In his spare time Thayer enjoys spending time with his family and playing with his daughter. He also enjoys running along the waterfront and hiking in the gorge.
